General surveillance related to protecting animal industries

Initiative	State/ Territory
Abattoir and Saleyard Surveillance	VIC
Annual Footrot Survey - Local Land Services	NSW
Apiculture Surveillance	NZ
APL Evidence of Absence	Australia
Bee Pathogen Program	NZ
Biosecurity and Supply Chains	NSW
Biosecurity SA PIRSA Prevention of New Incursions Program	SA
Cattle Tick Surveillance Program	NT
Control of Johne's disease (JD) in cattle in Western Australia	WA
Disease Recognition, Reporting and Communication Training for Small Abattoirs	NSW
Supplying the Domestic Market Project	NSW
District Veterinarians - Local Land Services	NSW
Eastern Wheatbelt Biosecurity Group Inc.	SA
Emergency Animal Disease Surveillance	NSW
Emergency Animal Disease Hotline 1800 675 888	Australia
Enhanced Abattoir Surveillance Program	SA
Ewe Abortion and Newborn Lamb Deaths Surveillance Program	WA
Fisheries and Aquaculture Commercial Reporting App	SA
Grazing Beef Industry Surveillance Project	Australia
Johne's Disease Surveillance in Cattle	WA
Knackery Surveillance Project	VIC
Live Animal and Germplasm Export Testing Initiative	NZ

Livestock Disease Investigation Services DPIR	NT
Livestock Health Monitoring Project	TAS
Livestock Production Assurance (LPA) Program	Australia
Livestock Surveillance Champion	NSW
Local Disease Surveillance - Local Land Services	NSW
Local Land Services Heifer and Ewe Health Project	NSW
National Sheep Health Monitoring Project	Australia
Non-English Speaking Background - Healthy Pigs	NSW
Notifiable Disease Legislation	Australia
Pest Predator Monitoring Program	NSW
Rangeland Monitoring	NT
Rural Practitioner Enhanced Disease Surveillance	SA
Significant Disease Investigation Programs	Australia
Strengthening Passive Surveillance - Animal Health	NZ
Surveillance Champion Project	QLD TAS NSW
Surveillance Smartphone App Project	Australia

General surveillance related to protecting the environment

Initiative	State/ Territory
Barrow Island Non-indigenous Species	WA
Deer Monitoring - South East Local Land Services	NSW
European Wasp Surveillance and Eradication Program	WA
Friends of Scott Creek Conservation Park on-Park Activities	SA
Lord Howe Island Biosecurity	NSW
National Avian Influenza in Wild Birds Surveillance Program - General Surveillance Component	Australia
National Wildlife Health Surveillance Program	Australia
Peri-urban Environmental Biosecurity Network	NSW
Trees For Life	SA
European wasp: Adopt-a-trap initiative	WA

Remember to also check the programs listed under 'Multiple sectors'

General surveillance related to protecting marine resources and aquaculture

Initiative

	State/ Territory
Biosecurity Queensland Marine Pest Prevention and Preparedness, Education and Awareness Campaign	QLD
Early Detection Invasive Marine Pest Ports Monitoring, Queensland	QLD
Feral or in Peril?	SA
FishWatch SA	SA
FishWatch WA	WA
Gippsland Lakes Project	VIC
Gulf St Vincent Commercial Prawn Fishing	SA
NZ Marine Metered Squared	NZ
PestWatch WA	WA
Recreational Fishing Guide app SA	SA
Reefwatch	SA
Wallerawang Lake Wallace Gone Fishing and Redfin awareness day	NSW

Remember to also check the programs listed under 'Multiple sectors'

General surveillance related to protecting multiple industries

Initiative	State/ Territory
Aldinga Khaki weed program in the Adelaide and Mount Lofty Ranges	SA
Atlas of Living Australia	Australia
Botanic Gardens Biosecurity Network	VIC
Far South Coast Conservation Management Network	NSW
FeralScan (incl. WildDog, Deer, Rabbit, Feral cats, Fox, Feral Pig, Myna, Toad, Mouse, Camel, Feral goat, Feral fish, Starling, most unwanted)	Australia
Fraser Coast Regional Council Biosecurity Surveillance Program	QLD
General Biosecurity Obligation	QLD
Girringun Biosecurity and Coastal Surveillance	QLD
High Risk Invasive Animals - Passive Surveillance	VIC
High Risk Invasive Animals - Smart Surveillance	VIC
High Risk Invasive Animals / Native Wildlife trafficking done through Crime Stoppers Victoria	VIC
Impacts of Rabbit K Virus	VIC
Local Government Biosecurity Act Pest Plant and Animal Surveillance	QLD
MyPestGuide Surveillance System	WA

NAQS General Surveillance	NT QLD WA
NRM District Pest Invasion Pathway Surveys	SA
NZ National General Surveillance Program (hotline)	NZ
Opportunistic animal and plant disease diagnosis and investigations	NSW
Pest Animal Program North West Local Land Service	NSW
Pest Audit - Annual	QLD
PestFax	WA
Port Botany Council Surveillance	NSW
Tasmania Farm Biosecurity Engagement Project	TAS
Townsville Yellow Crazy Ant Taskforce	QLD
Vertebrate Pest Monitoring Program	QLD
Yellow Crazy Ant Eradication	QLD

General surveillance related to protecting plant industries

Initiative	State/ Territory
Exotic Plant Pest Hotline 1800 084 881	Australia
Urban Plant Health Network	VIC
National Forest Pest Surveillance Program - General Surveillance	Australia
NZ Fruit fly Surveillance	NZ
Brown Marmorated Stink Bug Campaign	NZ
Mango Industry Monitoring and Surveillance	Australia
Biosecurity Engagement with Non English Speaking Growers	NT
Staff Survey Tomato Potato Psyllid, NSW	NSW
Brown Marmorated Stink Bug – Public campaign	NSW
Grains Farm Biosecurity Program - General Surveillance	NSW
National Integrated Pest and Disease Manual for Apple and Pear	VIC
CropSafe	VIC
2020-2021 Adopt-a-Trap Multi-Pest Survey	TAS
Adopt-a-trap to monitor for tomato potato psyllid	SA
Asian citrus psyllid surveillance	Various
Commercial citrus orchards participating in the Korea China Thailand export protocols program do visual inspections for a range of high priority citrus pests	Various

Remember to also check the programs listed under 'Multiple sectors'

General surveillance related to weeds

Initiative	State/Territory
Amazon Frogbit General Surveillance	NSW
Boerhavia erecta eradication program	NT
Established Weeds Project Surveillance	SA
General Flora Survey	NT
General weed control project delivery	Australia
Goulburn Broken Catchment Management Authority - Monitoring weeds	VIC
Invasive Species Prevention and Early Intervention (I-SPEI)	SA
Lantana Expansion on Road Ways	Australia
National Weed Spread Prevention Initiative	Australia
Parthenium weed	NT
Redland Invasive Plants Monitoring and Compliance	QLD
Stronger Pest Animal and Weed Collaboration in the Southern Gulf Region	QLD
Victorian Weeds in the Early Stages of Invasion (WESI)	VIC
Weed Control App SA	SA
Weed Management Program Ports	QLD
Weed Spotters Network Queensland	QLD
Weeds Action Program 2015-20	NSW
Weeds at the Early Stage of Invasion (WESI) project	VIC
Weeds of National Significance (WoNS)	Australia
Willow Control on Waterways in West Gippsland (informal)	VIC
Sydney Weeds Network - Report Invasive Plants	NSW
