

Animal Welfare Standards and Guidelines for Livestock at Processing Facilities and Establishments

AWTG 02-23 noted an update from Queensland that drafting of the new standards and guidelines is continuing. Further engagement with the stakeholder advisory group and other targeted stakeholders, including visits to livestock processors, is informing practical and technical aspects of the drafting.

Suitability of horses under existing Australian Animal Welfare Standards and Guidelines for Land Transport of Livestock

AWTG 02-23 noted an update from Queensland that all 63 stakeholder submissions to the consultation regulatory impact statement have been reviewed. Development of the decision regulatory impact statement is underway.

Virtual Fencing Technology

An update was not provided at AWTG 02-23.
