

In those cases where dairy products have been exported from Australia, and are now returning to Australia, quarantine requirements must be met and as such the Animal and Biological Imports Branch (ABIB) in Canberra must be contacted.

It is imperative that the ABIB are contacted before the product reaches Australia.

Contact details for the Animal and Biological Imports Branch

Address:

Animal and Biological Imports Branch
GPO Box 858
Canberra ACT 2601

Phone: 1800 900 090

Email: [Imports](#)
