

Here are the forms if you need to:

- export livestock
- become an accredited veterinarian
- register an establishment to prepare livestock for export
- apply for an exemption related to livestock exports.

You can apply for a new, renewed or varied livestock export licence online via the [Export Service](#). You will need to create an account to use the service.

Get set up in the Export Service

Once you are set up in the [Export Service](#), you will need to [connect it to TRACE](#). For more information, go to [About export licence applications in the Export Service](#).

If you can't access the [Export Service](#) for any reason, or would prefer to submit a PDF application form, you can do so using the below documents.

Application forms for approved arrangements, approved export programs and export permit and health certificates are also available below.
