

This register lists contact details and accreditations for plant export authorised officers who have consented to having their details being made public.

Job function codes and the commodities that can be inspected under each job function code are outlined in the Exports reference: [Table of authorised officer job functions](#).

To access the public register details, please email plantexporttraining@aff.gov.au clearly stating what you require to be inspected, and the region the inspections will be undertaken.

Alternatively, you may call the hotline on 1800 851 305.

Authorised officers can consent or decline to publish their personal details on the public register.
