

The People's Republic of China is introducing new regulations under Decree 280 that come into effect from 1 June 2026. The information on this webpage is under review. Please contact the Department at [exportlisting@aff.gov.au](mailto:exportlisting@aff.gov.au) if you have any queries. All market access advice in relation to these changes will be published on [Market Access Advice | Micor | Department of Agriculture, Fisheries and Forestry](#) and [Market access advice notices](#).

If you manufacture, process or store food products listed below (Article 7 products), a verification from the department is required to facilitate registration with China.

For Article 7 products, the department has a limited role to verify information and make verifications for China Import Food Enterprise Registration (CIFER) registration. Any applications submitted through the CIFER system are assessed by the General Administration of Customs of the People's Republic of China (GACC) at their discretion.

For more information about verification, contact [exportlisting@aff.gov.au](mailto:exportlisting@aff.gov.au)
