

Cargo Compliance Verification (CCV) inspections are conducted by the Australian Department of Agriculture, Fisheries and Forestry (DAFF) on containerised sea cargo imported into Australia. These inspections are part of the biosecurity system to ensure the integrity of Australia's agricultural industries and protect against exotic pests and diseases.

More information

- Have a question? Contact the CCV program 1800 900 090
- To report a biosecurity concern, call the See. Secure. Report. Hotline on 1800 798 636
- Search ([BICON](#)) to know what biosecurity import conditions apply to your goods
