

Many biosecurity treatments performed in Australia are undertaken by third party treatment providers approved by the department. These operators provide details of the treatments they conduct to the department's Assessment Services Group.

To ensure this process is able to operate as efficiently as possible, the department encourages these third party treatment providers to use the following treatment result templates:

Treatment Result Templates for Heat Treatment

Download

Document	Pages	File size
Heat treatment results XLS 	1	46 KB
Heat treatment Certificate DOC 	1	31 KB
