

Department of Agriculture, Fisheries and Forestry, December 2021

If you would like to import goods not covered in the [Goods Determination](#), you must apply for an import permit. The permit must be granted before your goods leave the Australian mainland.

To apply for an import permit, you can access the department's Biosecurity Import Conditions system ([BICON](#)).

If you are not already registered in BICON you will need to register.

If you are experiencing difficulty with registration and application, please refer to the [BICON help page](#) and the [BICON help card – External territories](#).

For further information, please contact Plant Import Operations (PIO) via Imports@aff.gov.au.
