

Improving access to imported food safety requirements

Imported food safety requirements are now included in the [Biosecurity Import Conditions system \(BICON\)](#).

See more about the [Inclusion of food safety requirements in BICON](#).

All biosecurity requirements must be met before [Imported Food Inspection Scheme](#) requirements apply.

Check our [Biosecurity Import Conditions system \(BICON\)](#) for biosecurity import conditions.

Food type

This includes all other food and beverages not separately listed within our [Import requirements by food type](#).

Before importing food intended for sale, check:

- it is not listed as a [prohibited food](#) in Standard 1.1.1-10(5) of the Australia New Zealand Food Standards Code (the Code), including:
 - [prohibited plants and fungi](#) - listed in Schedule 23 of the Code
- it is not prohibited under the Customs (Prohibited Imports) Regulation 1956, for example [mini jelly cups that contain konjac](#) as an ingredient
- if it is [kava](#) - that it is kava permitted by Standard 2.6.3 of the Code.
- it does not require a pre-market food safety clearance because it is:

Exclusions

Food and beverages from [New Zealand](#).

Inspection and testing

This food is classified as a [surveillance food](#).

We refer consignments for inspection to conduct a visual and label assessment at the rate of 5%.

If referred for inspection, the following applies:

- Visual inspection to determine if there are any signs of damage, deterioration, infestation or contamination of the food rendering it unfit for human consumption.
- Labelling inspection to assess compliance with:
 - the standards in Chapters 1 and 2 of the [Australia New Zealand Food Standards Code](#)
 - [country of origin food labelling](#) requirements.
- the standards in Chapters 1 and 2 of the

Note: No analytical tests apply to this food.

Once food has cleared biosecurity control, the importer is permitted to correct non-compliant food labelling prior to booking an IFIS inspection. Food pending an IFIS inspection cannot be sold or distributed.
