

The organisation, [Animal Management in Rural and Remote Indigenous Communities \(AMRRIC\)](#) plays a vital role in helping rural and remote communities manage animal health through a ‘one health’ approach.

AMRRIC provides a range of tailored information and assistance to help people manage canine ehrlichiosis in their community. Their website has a range of information including:

- [Ehrlichiosis FAQ](#)
- Tick sickness video –
 - [English](#)
 - [Other languages](#) including Anindilyakwa; Eastern-Central Arrernte; Kriol; Modern Tiwi; Murrinh-Patha; Walpiri.
- [Posters](#)
