

It is important that any locust activity is reported as soon as possible to your state biosecurity agency, or department of primary industries or agriculture.

You can also report locust activity directly to the Australian Plague Locust Commission (APLC) by phoning 1800 635 962 (an answering machine is provided for after-hours calls), or by completing the online form below. Alternatively, you can [complete a hard copy of this form PDF](#) [186 KB, 1 page] and fax it to the APLC on 02 6272 5074. 

Locust Report Form

Complete the following form and press the submit button.
