

In addition to the department's website, we use the Biosecurity Risk Analysis Stakeholder Registers for distributing biosecurity policy information to interested stakeholders.

Register to receive information via email about current risk analyses and Biosecurity Advices relating to plant or animal biosecurity policy:

As a registered stakeholder, you will be in control of your information to update/change or cancel your subscription at any time.

Contact us for more information:

Animal

- Email: animalbiosecurity@aff.gov.au

Plant

- Email: plantstakeholders@aff.gov.au
