

We provide grants, invest in new initiatives and support you to help boost productivity and exports.

We use tenders to buy goods and services from other organisations.

Support and concessions

Financial support to recover from bushfires. Includes funding to help farmers, rural communities and those working with injured wildlife.

Grants

[Explore all available grants](#) (GrantConnect website).

Closed grants

Supports projects to enhance the supply chain traceability systems and arrangements. These support the export of our agricultural commodities.

Applications closed on 21 January 2021.

Grants reporting

We report on our grants by:

- providing information on each grant through GrantConnect
- listing all approved grants (under senate order listing 16)
- listing all grant contracts worth \$100,000 or more (under senate order listing 13).

Tenders

We advertise [all open approaches to market on AusTender](#) when we buy goods and services.

[Register to AusTender](#) to be notified of opportunities related to your business.

The Department of Finance publishes details about [how we manage government procurement](#).
