

## Client feedback

Feedback is a valuable element in understanding our clients' views of their experience with the Department of Agriculture, Fisheries and Forestry. Whether you are pleased with our performance or we have not met your expectations, we highly value your comments.

Feedback can be suggestions, compliments or complaints.

- Suggestions are ideas on how we could improve our services or do our business differently.
- Compliments are praise or congratulations about any aspect of our services, performance or the way we do our business.
- Complaints express dissatisfaction or unmet expectations about any aspect of our services, performance or the way we do our business.

Combined with structured industry consultation, your feedback helps us to continually improve our service delivery.

We are committed to providing our services in ways that consider the impact on you, while meeting our legal and community obligations.

Our feedback process aligns with the department's [Client Service Charter](#).
