

We collect, use, store and disclose personal information to help us perform our functions and manage our staff. We publish a privacy policy which sets out how we comply with our obligations under the Privacy Act 1988 (Privacy Act) and provides information on how individuals may access and correct personal information held about them.

Our privacy policy

The complete Privacy Policy as at June 2026 is available in [HTML](#) format, and for download in PDF and Word:

Summary of privacy policy

Department of Agriculture, Fisheries and Forestry, June 2026

About this policy

The purpose of this privacy policy is to:

- clearly communicate the personal information handling practices of the Department of Agriculture, Fisheries and Forestry (department)
- enhance the transparency of the department’s operations, and
- give individuals a better and more complete understanding of the sort of personal information the department holds, and the way we handle that information.

If you would like to request the privacy policy be made available in an alternate format or language, such as for the vision impaired, or for those from non-English speaking backgrounds, please also contact the department. Reasonable steps will be taken to provide alternate access.

This privacy policy is reviewed and updated annually.

Privacy Impact Assessment Register

This register includes our Privacy Impact Assessments (PIA) in accordance with the [Privacy \(Australian Government Agencies — Governance\) APP Code 2017](#).
