

We strive to create a safe place to work for all our LGBTIQ+ staff members by providing supportive programs, educating our allies, and nurturing an inclusive culture. The department's [Pride Network Action Plan](#) sets out what needs to be done to promote inclusion for our LGBTIQ+ employees.

We are a member of [Pride in Diversity](#) and participate in the [Australian Workplace Equality Index](#) – the national benchmark for LGBTIQ+ workplace inclusion.

We work to ensure our culture is inclusive of LGBTIQ+ people and that any discrimination is addressed promptly through our support channels.

We prioritise education by running regular awareness training sessions and have a range of initiatives in place to support our LGBTIQ+ staff including gender affirmation guidelines, ally resources and an active LGBTIQ+ Pride Network.
