

The [Freedom of Information Act 1982](#) (FOI Act) gives you a legal right to request access to documents held by the government.

Before you make a request, check if you can access the information another way.

Access your documents

Some information is available to you without an FOI request. For example, documents containing your personal information.

[Contact us](#) to request a copy of your documents.

Publicly available documents

Check what is already publicly available:

- [Information Publication Scheme](#)
- [FOI disclosure logs](#)
- corporate information on this website
- any other information on this website

Make an FOI request

You can use our online form to [make an FOI request](#). Make sure you include all required information.

[Contact us](#) about a request you have already submitted.
