Farm Household Allowance guidelines

Publication details

Department of Agriculture, Fisheries and Forestry, 2026

The Farm Household Allowance (FHA) guidelines provide a high-level view of the policy for FHA. These guidelines are designed to assist applicants, decision makers, and reviewers to understand the FHA legislation. The information contained in this publication should be read in conjunction with the relevant legislation.

For general queries about the FHA policy and/ or additional guidance, please email the [FHA Team](#).

To discuss individual circumstances, please contact Services Australia Farmer Assistance hotline on 132 316 between 8am and 5pm, Monday to Friday.

There are 2 versions of the Guidelines:

- Farm Household Allowance Guidelines effective from 1 July 2024 – this version reflects FHA policy settings that apply from 1 July 2024.
- Farm Household Allowance Guidelines pre-1 July 2024 – this version reflects FHA policy up to 30 June 2024. This version of the guide should only be used to assist with the historical FHA policy settings in place before 1 July 2024.

Farm Financial Assessment guide

Publication details

Department of Agriculture, Fisheries and Forestry, 2025

The Farm Financial Assessment guide assists farmers and their financial assessor to accurately complete the Farm Financial Assessment (FFA). The FFA is a comprehensive assessment of the financial position of an FHA recipient and their farm enterprise. The FFA has multiple parts, some of which are completed by the recipient and some by their financial assessor.

To discuss details needed in the FFA or clarification of questions in the FFA, please contact Services Australia Farmer Assistance hotline on 132 316 between 8am and 5pm, Monday to Friday.
