

Thank you for your interest in the development of the revised Commonwealth Fisheries Bycatch Policy. The [revised Commonwealth Fisheries Bycatch Policy \(Bycatch Policy\)](#) was developed in consultation with key stakeholders and provides a framework for managing fishing-related impacts to bycatch species in Commonwealth fisheries.

The revised policy draws upon the outcomes of the [Report on the review of the Commonwealth Policy on Fisheries Bycatch](#) of May 2013, international best practice and feedback from stakeholders.

The draft revision of the policy was released for public comment over the five week period ending 9 June 2017. All submissions received are publicly available.
