

You must lodge returns and pay levies or charges based on the rate and frequency set for your product.

Make sure you are aware of your obligations before you lodge and pay.

First time lodging with us

You will need a levies account number if you are lodging a return for the first time.

Once your request is approved, you will receive a levies account number (e.g. LRS12345).

For any help with the form, call Levies on 1800 020 619 (within Australia).

Payments cannot be made in Levies Online.

These are two options to pay levies and charges.
